Public Notification of Planned Activity

Update to Public Notification of Planned Activity May 11, 2022

In accordance with Paragraph 1 of the South Carolina Department of Health and Environmental Control ("DHEC") Order dated May 7, 2021 and New-Indy Catawba LLC's ("New-Indy") Public Notification Plan dated May 17, 2021, New-Indy presents the following updated Public Notification.

Description of Planned Activity:

New-Indy intends to conduct routine steam stripper maintenance, during which time the steam stripper will be removed from operation.

Purpose of Planned Activity:

To conduct routine maintenance on the steam stripper. During this planned activity, New-Indy will be operating a condensate monitoring system and condensate pretreatment system to proactively mitigate and take all steps necessary to control the generation and release of hydrogen sulfide.

Date of Planned Activity:

The work will commence on or about May 12, 2022 and continue until complete, which New-Indy estimates will be approximately eighteen (18) hours. **The steam stripper resumed operation at approximately 4:00pm on May 12, 2022.**
