Public Notification of Unplanned Activity

Updated Public Notification of Unplanned Activity
June 27, 2022

In accordance with Paragraph 1 of the South Carolina Department of Health and Environmental Control (“DHEC”) Order dated May 7, 2021, and New-Indy Catawba LLC’s (“New-Indy”) Public Notification Plan dated May 17, 2021, New-Indy presents the following Public Notification.

Description of Unplanned Activity:

New-Indy has taken the steam stripper out of operation to perform unscheduled cleaning and inspection activities.

Purpose of Activity:

To conduct maintenance on the steam stripper. During this planned activity, New-Indy will be operating a condensate monitoring system and condensate pretreatment system to proactively mitigate and take all steps necessary to control the generation and release of hydrogen sulfide.

Date of Activity:

The steam stripper was taken out of operation on June 21, 2022. Mechanical work began June 23, 2022. The target completion date was June 27, 2022, by 5:00pm EDT. The work was completed ahead of schedule, and the steam stripper resumed operating on June 26, 2022, at 10:53pm EDT.

Contact Information:
