**Public Notification of Unplanned Activity**  
**October 21, 2022**

In accordance with Paragraph 1 of the South Carolina Department of Health and Environmental Control (“DHEC”) Order dated May 7, 2021, and New-Indy Catawba LLC’s (“New-Indy”) Public Notification Plan dated May 17, 2021, New-Indy presents the following Public Notification.

**Description of Unplanned Activity:**

The steam stripper was taken down for unplanned and necessary repairs on October 21, 2022.

**Purpose of Activity:**

To diagnose and repair the cause(s) of unexpected shutdown and to conduct additional routine maintenance on the steam stripper. During this unplanned activity, New-Indy will be operating a condensate monitoring system and condensate pretreatment system to proactively mitigate and take all steps necessary to control the generation and release of hydrogen sulfide.

**Date of Activity:**

The steam stripper shut down unexpectedly on October 21, 2022, and maintenance work is underway. The Planned Outage will commence as scheduled for October 24 and is expected to take approximately 6 days to complete. New-Indy will update this notice once maintenance is complete, and the steam stripper is returned to service.

**Contact Information:**
