Public Notification of Unplanned Activity

**Updated Public Notification of Unplanned Activity
October 11, 2022**

In accordance with Paragraph 1 of the South Carolina Department of Health and Environmental Control (“DHEC”) Order dated May 7, 2021, and New-Indy Catawba LLC’s (“New-Indy”) Public Notification Plan dated May 17, 2021, New-Indy presents the following Public Notification.

Description of Unplanned Activity:

New-Indy took the steam stripper out of operation to perform unscheduled maintenance activities.

Purpose of Activity:

To conduct maintenance on the steam stripper. During this unplanned activity, New-Indy operated a condensate monitoring system and condensate pretreatment system to proactively mitigate and take all steps necessary to control the generation and release of hydrogen sulfide.

Date of Activity:

The steam stripper was taken out of operation on Wednesday, Oct. 12, 2022, for an expected duration of 60 hours.

Maintenance is complete and the steam stripper was returned to service at 6:15 a.m. on Friday, Oct. 14, 2022.
